

THE WANT ADS KEEP "SOMETHING DOING" ALL AROUND YOU ALL THE TIME

You noticed neighbor Jones, the other day, driving a fine looking horse—and you wondered possibly, where he had managed to "make a raise". It didn't occur to you, possibly, that neighbor Jones had exchanged the old piano for a new horse, at a total cash outlay of a "little loose change" for a want advertisement.

You noticed the Methodist preacher was riding a new-looking bicycle and you wondered if he had been given a raise of salary. As a matter of fact he owned two sets of Shakespeare—and he traded one of them for the wheel, with the aid of a three-line advertisement.

ALL AROUND YOU, ALL THE TIME, IN A HUNDRED WAYS, THE LITTLE CLASSIFIED ADS. ARE CAUSING THINGS TO HAPPEN.

You noticed, the other morning, that the corner drug store had changed hands—that new fixtures were being put in, a new sign over the door, new faces behind the counters; and it may not have occurred to you that a six-line Business Opportunity advertisement had brought a new business man to your neighborhood.

You noticed a gang of men at work digging a foundation for a house on the lot next door; and you learned that some "very good people" had recently bought it, and were to build a nice home on it. But nobody told you, perhaps, that a real estate ad., costing but one dollar, had effected the sale, and operated to give you a new neighbor.

THEY ARE KEEPING YOUR NEIGHBORHOOD LIVELY BY PROMOTING LITTLE TRADES AMONG THE PEOPLE. WHAT ARE THEY DOING FOR YOU?
